The United Kingdom of Great Britain and Northern Ireland is situated on the British Isles. There are hills and mountains, lakes and rivers there. The country has 4 parts: England, Scotland, Wales and Northern Island. The UK is a kingdom, but the country has a Parliament and the government. The capital of the country is London. It is a political, business and cultural centre. There are a lot of castles, buildings, palaces, museums, cathedrals in it. Tourists would like to visit Westminster Abbey, monument to Admiral Nelson, The Tower of London, St. Paul's Cathedral, famous Big Ben, Buckingham Palace is Queen's home. British people celebrate a lot of holidays: Happy New Year, St. Valentine's Day, Easter, Halloween, Christmas. Some holidays are religious and people go to church. Christmas is the most favourite holiday, People prepare for the holiday: they decorate the houses, send greeting cards, buy presents, cook tasty things. They have parties, hug and kiss each other and wish Merry Christmas.
